

Vol. 7 | September 2018

Dear Parent,

### **Finalizing your child's 2018-2019 Financial Aid**

If your child was selected for Verification, be sure to submit all of the required documentation to his/her home campus Financial Aid Office so the student's aid can be applied to his/her account.

For students who have accepted their Stafford loans or whose parent has applied and been approved for a Parent PLUS loan, please make sure all Master Promissory Notes (MPN) and Loan Entrance Counseling (LEC) have been completed and signed at [www.StudentLoans.gov](http://www.StudentLoans.gov).

### **That Time of Year Again**

**File the 2019-2020 Free Application for Federal Student Aid (FAFSA) on October 1, 2018!**

In order to maximize financial aid, please make sure the student completes the 2019-2020 FAFSA no later than November 15th. Students may complete the application online at <http://fafsa.ed.gov> using their home campus' Pace University school code:

**New York City campus - 002791**

**Pleasantville campus - 002792**

If eligible, we highly recommend that you use the IRS Data Retrieval Tool (DRT) when completing the FAFSA to import your/the student's 2017 tax information directly from the IRS database to the FAFSA.

The 2019-2020 FAFSA can also be completed via the Department of Education's myStudentAid mobile app!

### **Reminders**

Remember to include the student's University ID number on **all** documentation submitted to the Financial Aid Office!

Including their University ID number will allow us to locate their account and avoid processing delays.

Your student's University ID number begins with the letter "U" followed by eight numbers (i.e. U0000000).
