

PACE UNIVERSITY FINANCIAL AID OFFICE NEWS FLASH

WELCOME UNDERGRADUATE STUDENTS!

We wish our new and returning students a productive academic year!

Finalizing your 2018-2019 Financial Aid:

If you were selected for Verification, be sure to submit all required documentation to your home campus Financial Aid Office so that your aid can be finalized and applied to your account.

For students who accepted their Stafford loans, or whose parents have applied and been approved for a Parent PLUS loan, make sure all Master Promissory Notes (MPN) and Loan Entrance Counseling (LEC) have been completed and signed at www.StudentLoans.gov.

Log into your Pace Portal at <http://portal.pace.edu> to ensure all outstanding financial aid requirements have been submitted.

VERY IMPORTANT

That Time of Year Again!

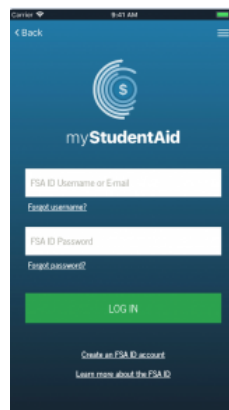

File 2019-2020 Free Application for Federal Student Aid (FAFSA) on October 1, 2018

In order to maximize your financial aid, please file your 2019-2020 FAFSA no later than November 15th.

You may complete the application online at <http://fafsa.ed.gov> using your home campus' Pace University school code:

New York City campus - 002791
Pleasantville campus - 002792

If eligible, we highly recommend that you use the IRS Data Retrieval Tool (DRT) when completing your FAFSA to import your/your parent's 2017 tax information directly from the IRS database to your FAFSA.

The FAFSA can also be completed via the Department of Education's myStudentAid mobile app!

18th Edition: September 2018

Reminders!

Remember to include your University ID number on all documentation submitted to the Financial Aid Office!

Including your University ID number will allow us to locate your account and avoid processing delays.

Your University ID number begins with the letter "U" followed by eight numbers (i.e. U00000000).
