## FINANCIAL AID IS GOING PAPERLESS!

### What does this mean for you?

**Beginning Summer 2020**  
Pace University's Financial Aid Office will offer electronic form and application submissions.

### This includes the:

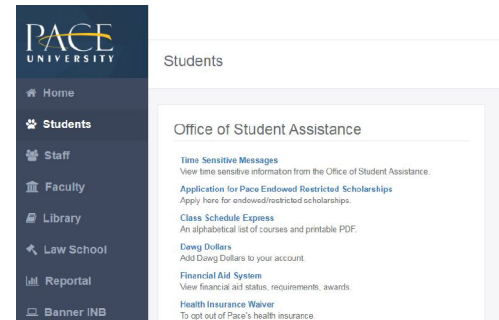

2020 Summer Aid Applications  
2020-21 Verification Worksheets  
2020-21 PLUS Applications

These forms can now be completed, signed and submitted electronically using your Pace University MyPace Portal username and password.

### Need a parent signature?

If your form or application requires a parent signature, your parent will be notified via email once you sign and submit the student portion of the form.

Your parent will be able to **easily** create a paperless forms account using their personal email address at that time. This paperless forms username and password can be used to electronically sign and submit forms to Pace University's Financial Aid Office for the remainder of your time at Pace University!

Log into your **MyPace Portal** and visit the Forms and Applications page of the Financial Aid website at <http://www.pace.edu/financial-aid/forms-and-applications> to begin completing and submitting your requirements!

**Satisfy Financial Aid requirements and settle your balances early to avoid late fees!**

Paper PDF options are still available on our website for those who wish to opt out of electronic forms.

*Please note: electronic signatures will not be accepted on forms completed outside of our paperless forms system.*
